EVENT ACTIVITY REPORT

Title of event - Rare Medicinal Herbs Plantation.

Date - 31/08/2023.

Time - 03.00 pm- 04.00 pm

Venue - Dr. Deepak Patil Ayurvedic Medical College & Research Centre, Borpadale.

Subject - Rare medicinal herbs Plantation report.

Objectives of event -

1. To cultivate and preserve Rare medicinal plant species.
2. To Study properties of Rare medicinal plant species.
3. To Identify Rare medicinal plant species.

Description

Rare plants plantation program was arranged at Sanjeevani Herbal Garden by the department of Dravyaguna. Various rare plants species were planted like Agastya, Devdar, Manjishtha, Tagar, Ashoka, Guggul, Bakul, Noni, Beejak.

This program was conducted to educate the students about rare medicinal plant species and their importance in ecosystem. Also, to identify and study the rare medicinal plants. Awareness of importance of rare plant species and their need of cultivation for species survival was provoked in students through this plantation program. Total 10 ayurvedic medicinal herbs were planted.

Rare Medicinal Plant Plantation by Teachers and Students.
