## Embrace the Future of Ayurveda in the Heart of Nature

Nestled in the serene and picturesque hills of Borpadale, Panhala, Kolhapur, Maharashtra, Sanjeevani Multipurpose Foundation's Dr. Deepak Patil Ayurvedic Medical College and Research Centre invites you to embark on an educational journey like no other. Since its inception in 2019, our institution has undergone a transformative journey, emerging as a beacon of excellence in Ayurvedic education, research, and healthcare, despite being located in a remote area surrounded by natural beauty and environmental treasures. As we enter our 6th year, we proudly continue our mission to blend the ancient wisdom of Ayurveda with modern medical practices, ensuring that our students receive a holistic and comprehensive education that prepares them to become leaders in the field.

### Visionary Mentor

**Hon. Dr. Deepak A. Patil**  
MBBS; FCCM  
**Founder President**

### Dynamic Leadership

**Hon. Dr. Mrs. Swati D. Patil**  
MS  
**Founder Secretary**

At the core of our institution's success is the visionary leadership of our founders, both esteemed medical professionals, Dr. Deepak Patil and Dr. Swati Patil have meticulously crafted every aspect of the college with a commitment to excellence and an unwavering dedication to student success. Their deep understanding of both modern medicine and traditional Ayurvedic practices has been instrumental in creating an environment where innovation and tradition coexist harmoniously.

### State-of-the-Art Infrastructure

Our campus is a testament to our commitment to providing the best possible learning environment for our students. The newly constructed academic building is spread over an impressive 52,000 square feet, offering ample space for classrooms, laboratories, and administrative offices. The architecture is designed to inspire learning, with spacious, well-lit, and ventilated spaces that create an atmosphere of tranquility and focus.

## Hostel Facilities

We understand that a comfortable living environment is crucial for academic success. Our hostel buildings are spacious, well-lit, and ventilated, equipped with all modern amenities including security systems, recreational areas, and dining facilities. Every aspect of our hostel life is designed to ensure that students feel at home, even when they are miles away from their families.

## Modern Auditorium-Style Classrooms

Our classrooms are designed to be more than just spaces for lectures; they are centers of interactive learning. Each classroom is auditorium-like, with a sloping design that ensures every student has a clear view of the instructor and the board. Air conditioning and advanced audio-visual aids facilitate a comfortable and engaging learning experience, catering to the needs of modern education.

## Advanced Laboratories and Museums

We believe in learning by doing. Our laboratories are fully equipped with the latest instruments and equipment, meeting all the regulatory standards set by NCISM and MUHS. These facilities provide students with hands-on experience, allowing them to apply their theoretical knowledge in a practical setting. Our spacious departmental museums house an extensive collection of specimens, models, and charts that provide a comprehensive understanding of Ayurvedic principles and practices.

## Comprehensive Library Resources Central Library

Our air-conditioned central library is a treasure trove of knowledge. Housing over 15,000 books, it provides an extensive collection of resources for both students and faculty. The library also includes

a digital section, offering access to a vast array of online journals, research papers, and e-books. Comfortable seating areas create an ideal environment for studying and research, ensuring that our students have everything they need to excel academically.

## Clinical Training and Healthcare Services - Fully Functional Hospital

Our college is home to a fully operational Ayurvedic hospital, providing an invaluable resource for both students and the local community. The hospital is staffed by specialty doctors in various fields, offering a wide range of treatments and therapies. Students gain hands-on clinical experience, learning to diagnose and treat patients under the supervision of experienced practitioners. This real-world training is essential for developing the skills and confidence needed to succeed in their future careers.

## Holistic Development Opportunities- Academic and Industrial Visits

To bridge the gap between classroom learning and real-world application, we organize regular academic and industrial visits. These excursions provide students with the opportunity to see how Ayurvedic principles are applied in professional settings, enhancing their understanding and appreciation of the subject. Guest lectures by industry experts and

study tours further enrich the learning experience.

## Cultural and Sports Events

We believe in the importance of well-rounded development. Our college hosts a variety of annual sports events, cultural programs, and competitions. These activities foster teamwork, leadership, and creativity among students. We also celebrate and observe various medical days, reinforcing the social and cultural aspects of the medical profession.

## A Commitment to Personal and Professional Growth

At Dr. Deepak Patil Ayurvedic Medical College, we are dedicated to nurturing not just students' academic and professional skills but also their personal, cultural, social, and moral development. Our comprehensive educational approach ensures that graduates are not only competent Ayurvedic practitioners but also compassionate, ethical, and socially responsible individuals who are ready to contribute positively to society.

## Highly Qualified and Dedicated Faculty

Our college takes immense pride in its highly qualified, experienced, and dedicated team of faculty members. Each faculty member brings a wealth of knowledge and expertise in their respective subjects and departments, ensuring that students receive top-notch education and guidance. With a strong commitment to academic excellence, our faculty members not only impart theoretical knowledge but also mentor students through practical training, research, and clinical practice. Their dedication to student success is evident in the personalized attention they provide, fostering a nurturing and intellectually stimulating environment that encourages growth, inquiry, and a deep understanding of Ayurveda.

## A Historic Milestone:

The Pioneer Batch of 2019 Shines Bright !The Dr. Deepak Patil Ayurvedic Medical College and Research Centre is basking in a moment of unparalleled pride and joy as the pioneer BAMS batch of

2019 has achieved a remarkable feat. With a 100% pass rate in the final exams conducted by the Maharashtra University of Health Sciences (MUHS), Nashik, in the winter of 2023, this extraordinary accomplishment stands as a rare and unique event in the history of our institution. This milestone, which will undoubtedly be etched in the annals of our college's legacy in golden words, reflects the dedication, hard work, and excellence of both our students and faculty. We are immensely proud and feel a deep sense of fulfillment with this memorable result from our very first batch.

## A Campus Steeped in History and Natural Beauty

Dr. Deepak Patil Ayurvedic Medical College and Research Centre is not just a place of learning it's a destination surrounded by rich history and stunning natural landscapes. Located in the heart of

Borpadale, Panhala, our campus is nestled amidst the serene hills that have witnessed the grandeur of the Panhala Fort and Vishalgad Fort historical landmarks that echo the valor and heritage of Maharashtra. The tranquil Warana River flows nearby, adding to the region's natural beauty and providing a peaceful environment conducive to study and reflection. This unique blend of history, culture, and nature creates an inspiring backdrop for your educational journey, offering not just academic growth but also a deep connection to the legacy and beauty of this remarkable area.
