Student Support, Career Guidance and Placement Cell

1. Introduction:

The Student Support, Career Guidance, and Placement Cell at Dr. Deepak Patil Ayurvedic Medical College and Research Centre aims to provide students with the necessary support for their academic, personal, emotional, and career development. The cell will guide students through the various stages of their academic journey, offering resources for higher education, placements, and overall personal development. It serves as a vital bridge between students and potential opportunities in their chosen fields of study, preparing them for a successful transition to professional life.

2. Aims and Objectives of the Committee:

The primary goals of the Student Support, Career Guidance, and Placement Cell are as follows:

Academic Support: To assist students in academic excellence by identifying resources, organizing seminars, workshops, and guidance on study strategies.

Career Development: To provide guidance and support for students in choosing appropriate career paths based on their interests, skills, and opportunities in the Ayurvedic healthcare and other related fields.

Personal and Emotional Support: To offer counseling services for students facing personal, social, or emotional challenges and to ensure their well-being.

Higher Education Guidance: To inform students about potential opportunities for further studies (postgraduate programs, certifications, etc.) both within India and abroad.

Placement Assistance: To facilitate and organize placement opportunities by liaising with healthcare organizations, Ayurvedic industries, and other relevant sectors.

Skill Development: To help students enhance their employability by organizing skill development programs, internships, and job-readiness workshops.

3. Vision and Mission of the Committee:

Vision:

To empower students by providing holistic support, guidance, and opportunities that will enable them to excel academically, develop professionally, and succeed in their careers, contributing significantly to the growth of Ayurveda and related industries.

Borpadale Phata (Nebapur), Kolhapur-Ratnagiri Road, Tal- Panhala, Dist. Kolhapur, Pin - 416213, Maharashtra State, India.
Ph. No. 9132039595 Website: www.dpayurvediccollege.com Email: dr.deepakpatilayu@gmail.com

• Recognized By Central Council of Indian Medicine, New Delhi & Govt. of India, Ministry of Health & Family Welfare, Department of AYUSH, New Delhi & Govt. of Maharashtra, Medical Education & Medicine Dept. •
• Affiliated to Maharashtra University Of Health Sciences, Nashik •

Mission:

- To guide students in exploring and pursuing their career ambitions within the field of Ayurveda and beyond.
- To ensure students are well-prepared to face social, emotional, and professional challenges.
- To build strong networks with educational institutions, industries, and healthcare organizations to facilitate placement opportunities.
- To provide students with access to resources that enhance their personal development and academic success.

4. Members and Structure of the Committee:

The Student Support, Career Guidance, and Placement Cell will comprise the following members:

1. Convener:

A senior faculty member (appointed as Convener) will lead the cell. The Convener will be responsible for overseeing the activities of the cell and coordinating with the faculty, students, and external organizations.

2. Members:

Three Faculty Members: At least one female faculty member should be part of the committee to ensure a balanced approach to student support.

Two Student Representatives: One male and one female representative from each batch, including interns, will be included. They will act as liaisons between the student body and the committee, providing insights into student needs and concerns.

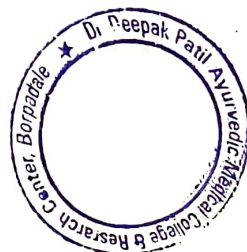

Two Parent-Teacher Association (PTA) Representatives: These representatives will provide an external perspective and support for the students' academic and personal development.

3. Counselor (Part-Time):

A part-time counselor will be appointed to address the social and emotional needs of students. The counselor will offer one-on-one counseling sessions to help students navigate personal and emotional challenges, ensuring their mental well-being.

5. Roles and Functions of the Committee:

The Student Support, Career Guidance, and Placement Cell will be responsible for the following roles and functions:

Sanjeevani Multipurpose Foundation's
Dr. Deepak Patil Ayurvedic Medical College & Research Center
Borpadale Phata (Nebapur), Kolhapur-Ratnagiri Road, Tal- Panhala, Dist. Kolhapur, Pin - 416213, Maharashtra State, India.
Ph. No. 9132039595 Website: www.dpayurvediccollege.com Email: dr.deepakpatilayv@gmail.com
• Recognized By Central Council of Indian Medicine, New Delhi & Govt. of India, Ministry of Health & Family Welfare, Department of AYUSH, New Delhi & Govt. of Maharashtra, Medical Education & Medicine Dept. •
• Affiliated to Maharashtra University Of Health Sciences, Nashik •

5.1 Providing Career Guidance:

- Identifying diverse career opportunities for students in Ayurveda and related fields.
- Offering career counseling and advice on job prospects, internships, and other post-graduation opportunities.
- Organizing career fairs, workshops, and guest lectures to give students insights into industry trends and demands.

5.2 Conducting Placement Activities:

- Facilitating on-campus placement drives with potential employers such as Ayurvedic hospitals, research centers, wellness industries, and pharmaceutical companies.
- Organizing mock interviews, resume-building workshops, and soft-skill training to enhance employability.
- Building strong relationships with healthcare providers, wellness centers, and other relevant sectors to open up job avenues for students.

5.3 Providing Academic Support:

- Identifying areas where students may require additional academic assistance and providing solutions such as extra tutorials, study groups, or peer-to-peer mentoring.
- Supporting students through stress management and study techniques for better academic performance.

5.4 Organizing Skill Development and Personality Enhancement Programs:

- Conducting workshops on soft skills, communication, leadership, and other employability skills.
- Arranging for internships, clinical practices, and volunteer opportunities to help students gain practical experience in the field.

5.5 Counseling and Emotional Support:

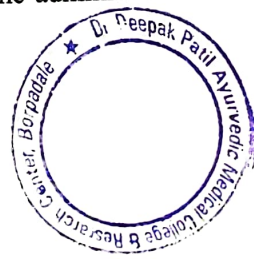

- Appointing a part-time counselor who will provide individual counseling to students facing emotional, personal, or social difficulties.
- Conducting regular workshops on mental health, stress management, and life skills to promote overall well-being.

5.6 Higher Education Guidance:

- Providing information about postgraduate programs, certifications, and other opportunities for advanced learning.
- Assisting students with applications, preparing for entrance exams, and choosing the right higher education institutions.

5.7 Facilitating Communication and Coordination:

- Maintaining open lines of communication with students, parents, and the administration to ensure the effective functioning of the cell.

-Encouraging student involvement through feedback, suggestions, and participation in various activities organized by the cell.

6. Expected Outcomes from the Committee's Work:

The Student Support, Career Guidance, and Placement Cell is expected to achieve the following outcomes:

Increased Employability: Students will be better prepared for the workforce through career guidance, skill-building workshops, and placement opportunities.

Higher Academic Performance: With support in academics and personal development, students will perform better in their studies and professional endeavors.

Successful Placements: The cell will work toward securing on-campus placements for students, with a higher placement rate in Ayurvedic healthcare, wellness industries, and other relevant fields.

Emotional and Mental Well-being: Through counseling and emotional support, students will have better mental health, reducing stress and improving their overall college experience.

Development of Holistic Individuals: Students will be well-rounded professionals with academic, personal, and career skills, ready to contribute to society and the Ayurvedic field.

7. Conclusion:

The Student Support, Career Guidance, and Placement Cell at Dr. Deepak Patil Ayurvedic Medical College and Research Centre is a crucial part of the institution's commitment to student success. By providing a platform for academic, personal, and career development, this cell will help students navigate their academic journey and ensure they are equipped to enter the professional world with confidence. Through a well-structured committee and dedicated resources, the cell will foster the growth and success of every student at the college, contributing to their overall development and enhancing their future career prospects.
